Dear Minister

**Evaluation – Central Adelaide Local Health Network**

I refer to my letter dated 20 August 2018.

Today I received a letter from the Treasurer advising that the Government was not in a position to provide additional funds that would enable me to conduct an evaluation of the practices, policies and procedures of the Central Adelaide Local Health Network.

I am disappointed that the Government is not in a position to provide the resources necessary in order to conduct that evaluation. I think such an evaluation would be of significant benefit to the State, but given the sheer size of such an undertaking I am simply not equipped to conduct it given my present resources.

Accordingly unless additional resources can be made available I cannot conduct an evaluation of the practices, policies and procedures of the Central Adelaide Local Health Network or any other Local Health Network.

Yours sincerely

The Hon. Bruce Lander QC
