Government Whip

**Parliamentary Pairs**

Dear Mr Pederick,

On 11 February my office requested a pair for Mr Jon Gee for the whole of the day on 12 February for medical reasons. This pair was granted by you on 11 February. During a division on 12 February, notwithstanding the granting of the pair and with no prior notice, the Government failed to withdraw a member from the vote and thereby actively disregarded the pair.

In light of the Government's action, the Opposition has taken the decision to withdraw all pairs granted to date. Furthermore, I advise that the Opposition will no longer be assisting the Government with granting pairs.

Kind regards

**Michael Brown MP**
